## ASHMEAD VISION, VALUES AND BEHAVIOUR EXPECTATIONS

At Ashmead our vision is that through excellent teaching and care every child leaves us knowing they are both loveable and capable.

We have 12 key values that we focus on throughout the year. These are: respect, perseverance, kindness, cooperation, reflection, hope, courage, responsibility, empathy, confidence, integrity and freedom. We have three clear rules that also reflect our values.

We encourage everyone in our school community to act according to these values.

**Be ready**

**Be respectful**

**Be safe**
